Testimonials

It is really very appreciating that indiastat.com has instituted such a professionalized practises within the organization for which I congratulate the entire team, especially the Support team of the group. In this regard, I am directed to say that with this kind of professional approach, indiastat.com is and will be making significant contribution in India's development, especially in today's era of informationalization.

Sourabh Gargav, Sr. Research Associate, Centre for Innovation & Technology, Administrative Staff College of India, Hyderabad.

Really, you are most efficient at collecting statistics. How do you do it? These are the most easy to understand statistics I got from any of the ten other countries I tried.

Debbie Hodgson, Reporter, Newsweek Japan.

Indiastat.com is one of the most comprehensive sites on secondary data sources. I strongly recommend this site for libraries of all academic institutions and businesses.

Dr. Satish Y. Deodhar, Faculty, Centre for Management in Agriculture, Indian Institute of Management, Ahmedabad.

I would like to applaud Indiastat for making available a very useful research database online.

Jacob F. Kirkegaard, Research Associate at the Institute For International Economics, Washington DC.
